Dear Prof Patra,

On the grievance raised by students and the recommendation of APC, it has been decided by the Director office that reassessment will be done in B2B course for the following students who have OTJ. The assessor will be third party and the assessment will be done on the multiple assignments(in lieu of OTJ report) which they have submitted earlier to the course instructor.

All these students have early joining and opted OTJ in their B2B course.

PGMA1914	Chirag Gupta
PGMA1921	Nishtha Rai
PGMA1922	Pranshu Gupta
PGMA1924	Raghav Gupta
PGSF1913	Dhriti Bose

As recommended, exam cells after collating assignments will share it with Dr Vinita Srivastava and Dr Santosh Sood, who have been nominated in the panel as evaluator.

Ms. Sharmila from exam cell can take it forward.

Best,
Swati
