2. E-Commerce Business Management

The screenshot displays the user interface of the Jaipuria Institute of Management's Learning Management System (LMS). At the top, a purple navigation bar contains the user's name 'Rohit Bathla' and icons for notifications and messages. Below this, the course title 'E-commerce-GR-II' is prominently displayed. A secondary navigation bar includes links for 'Home', 'Events', 'My Courses', 'My Dashboard', 'Impartus', and 'Parents', along with settings and view options like 'Hide blocks' and 'Standard view'. The main content area features a breadcrumb trail: 'Home > Courses > Term-IV > 2018-20-Term-IV > T4-18-ECOM-GR-2'. A yellow warning banner states: 'This course is hidden and cannot be accessed by students. Click here to update settings'. Below the warning, there are sections for 'Announcements' (containing 'Y19-20 T4 IT302 EC') and a list of dates: '1 July - 7 July', '8 July - 14 July', and '15 July - 21 July'. On the right side, a sidebar menu is visible, including 'Auto Attendance Block' with sub-items 'Attendance Sheet', 'Requisition for Missing Sessions', 'Attendance Report', and 'Leave Add'; 'Today's Classes' with 'Term wise Detailed'; and 'Today's Classes' at the bottom. A 'Navigation' section is also present at the bottom of the sidebar.
