

JAIPURIA INSTITUTE OF MANAGEMENT, NOIDA
PGDM / PGDM (SM)/ PGDM (M)
2017-19 Batch

Course Title: Lean Six Sigma – Green Belt Certification
Course Code: CP-OM01

- **Title of the certification course**

Lean Six Sigma – Green Belt (Conducted & Certified by KPMG)

- **Objectives of the course**

Develop an expertise in deploying Lean & Six Sigma programmes for directing teams to achieve desired results.

Be able to support analysis, planning, design, implementation and evaluation of key projects and help companies achieve their goals.

Imbibe a quality philosophy and be able to improve performance by knowing where one is and where one can be.

- **Certifying agency**

KPMG

- **Evaluation components**

An examination is conducted at the end of 4 days in which all students are declared successful if they attain a minimum % of 70

KPMG can be requested to share the name of the top three scoring students, who can be felicitated by the Institute and awarded cash prizes of INR 7,500, 5,000 & 2,500 respectively. This will honour the students as well as motivate them to perform.

All the students undertaking this programme and successfully qualifying, should be motivated by his / her mentors to apply it in their SIP. Those who do so and are able to defend it in presence of industry & internal evaluator could be given a certificate of appreciation and a reward.
