

CSR Activity Report (29th June,2019)

As per the orientation schedule, CSR field visit was conducted on Saturday (29/June/19). Debriefing about the field visit was done by faculty coordinators on Friday 28th June 2019 with respect to take away and deliveries. The students were offered different themes for CSR activity and they undertook this program with a field visit and social interactions to understand and observe various dimensions closely. The entire first year batch participated in the social driven activity

The themes allocated were: -

- Create Awareness on Traffic Rules: Visit various traffic signals, Stop People who are breaking traffic rules and Educate them. Keep emphasising on no honking, wearing seat belts in the car, wearing helmets while riding the two wheelers, and no use of mobiles during driving.
- Proper Garbage disposal: Visit nearby Slum Areas and Villages, see how they are disposing the garbage, tell them how else they can dispose or recycle the garbage in an effective and reusable manner.
- Solutions for tackling problem of food waste: Visit nearby restaurants and vendors, observe how much food they are wasting, suggest them some measures on how they can decrease their food waste by proper planning.
- Stop child labor, save children: Visit nearby dhabas, vendors, restaurants or anywhere where you see child labour being employed, make them understand that it is a crime under Child Labour Act, 1986 and ask them to stop such a pathetic practice.
- Create Awareness on Girl Education, Save Girl Child : Visit nearby villages, observe how many families are not allowing their girl child to study in schools, Promote Girl Education, Talk to their Parents regarding Importance of Education, Equality, Beti Bachao Yojana etc.
- Bring awareness about the harmful effects of plastic to the people around you, Educate the local retailers on the ill effects of use of plastics.
- Awareness on harmful effects of smoking/ tobacco
- Social awareness: Save Water, Save life
- Create Awareness on Maintaining Cleanliness: Visit nearby areas, see how the people are maintaining cleanliness in their surroundings, tell the importance of cleanliness to the people who are not keeping their environment clean, ask authorities that how frequently they come to collect garbage, how they promote cleanliness, make the people aware of the ill effects of defecation in an open area etc.
- Create Awareness on Fuel good for Cooking: Visit nearby slums and villages, collect data on which fuel they are using for cooking and tell them the ill effects of using traditional fuels, create awareness regarding the Yojanas like Ujjawala etc.

Post Activity the student group prepared a report including (group picture with name tagged of all members, video related to theme) and sent it to the respective mentor

All the first year students participated with full zeal and enthusiasm and covered nearby village without botheration of scorching heat.
