Dear Students

Keeping in kind the various academic activities like Viva's, assignments and upcoming exams, **mock GD** sessions will resume from October 19th onwards. However, any other training and CMC related activity still remains a mandated activity. For any company specific sessions, applicants will need to attend mandatorily. Only Scheduled **Mock GD** sessions are not going to happen for now to allow you time and space to appear for assignments and Viva's which are lined up as a part of your assessments.

Best Regards,

Supriya Massey
