Dear All

Attached is the schedule for **Mock GD/PI** for tomorrow. Please note that this is a mandated activity and the candidates are required to attend the same. No exemptions shall be entertained unless they were in a placement process. All the candidates who missed it today due to the process of Evolution Co and POSist need to ensure their presence tomorrow regardless of their name not reflecting.

All need to bring a copy of their updated CV. Maintain high standards of grooming and need to come dressed in formals.

Absentees shall be considered no longer interested in seeking placement facilitation from the campus.

Please open the sheet and look at all the tabs. For students who are interested in pursuing opportunities in OPS, their **PI** will happen on a later date.

Best Regards,

Supriya Massey
