Dear Sir /Ma'am,

Greetings from Jaipuria, Noida!!

**PLANTATION DRIVE:
CSR COMMITTEE
(5 September 2017)**

“Teacher’s affect eternity; they can never tell where their influence stops.”

To mark the occasion of **Teacher’s Day**, a '**tree plantation drive**' was conducted in the college campus, with all the faculty members' enthusiastic participation. The event started with the teachers sharing a few pearls of their

wisdom with the students, followed by cutting of the ribbon our **Director, Dr. Kavita Pathak**.

As teachers proceeded to plant and water the saplings, it was not difficult to tell how excited they were to undertake this new responsibility. Of course teachers are no strangers to **“Planting and Taking Care”**. After all isn’t a teacher’s job all about taking impressionable young minds, fertilizing them with wisdom, watering them with values, making sure that they get adequate time in the sun and grow deep roots.

The symbolic meaning of a teacher planting trees is not lost on anybody. A teacher's job never truly ends. It is rightly said, **"Teaching is a very noble profession that shapes the character, caliber and future of an individual."**

And as students, we can take **Dr. Kavita Pathak's** words to heart.

"Awake, Grow and Blossom."

Thanks & Regards
