Dear Students

In a bid to further help you with placement prep, we have divided you among your peers for a Buddy-up program. Attached is the list.

The Buddies would be responsible for the following:

- Conducting 2 GD Sessions with the groups per week
- Conducting one on one Mock PI once a week per student.
- Regular check on CV specially before the placement process
- Counselling for Company profile & boosting for nominations.
- All Buddies to submit a weekly report on progress made to Ms. Kanchan Rana.

I look forward to all of you coordinating and contributing towards the success of each other.

Thanks and I applaud your team work in advance. Let's look at making this season a rocking success regardless of all the challenges COVID and remote working brought us.

Best Regards,

Supriya Massey
