Dear All

It's an immense delight and pride for me to share this news with all of you that the below team has won the first prize in Business plan competition on 14<sup>th</sup> Mar , 2018.

It was a last minute plan and everything happened quickly, their zeal ,passion and determination to go to for competition led them to success. The faculty of JAYPEE also congratulated us for this success.

We want more prizes and certificates like this in near future too.

Jaipuria is too proud of them!!
