DEAR ALL

GREETINGS FROM JAIPURIA NOIDA, MRC TEAM

A small addition to the lives of the needy.

“No one has ever become poor by giving”.

Disha- A ray of Hope, the CSR committee of Jaipuria Institute of Management, Noida had volunteered and paid a small contribution in bringing in and distributing food to the needy people by collaborating with the Robinhood army, that serves as a Knight in the shining armor, for the people who are poverty stricken. We the students of Jaipuria Noida, were really moved by the way that our small contribution was able to brighten up their “a day’s part” and we know how it satiated our souls.

The food was provided by the campaign itself, as 17 volunteers of CSR Jaipuria Noida team took excess food from nearby sectors of Noida. Around 150 poor people were provided food. The people who were provided with this help were mostly from the families where one of the members works as a daily wager. While some of our members were busy in sharing food with these people, others were able to interact with them asking them the daily life problems they go through and how they tackle them. We were really taken aback by the confidence of the children there.

We might enrich our sense of purpose.

THANKS AND REGARDS
MRC NOIDA
