BLOOD DONATION CAMP

Blood donation is a most important social service to the humankind. Emergencies propel the demand for blood transfusion. Since blood can't be manufactured, it is essential to maintain a significant stock of blood collected from unpaid donors and volunteers. Being a human, we must donate blood to save others life. Real bliss can be achieved by donating blood and seeing happiness and satisfaction one can experience at the mere thought that this gesture may save somebody's life one day.

As part of its continuous endeavour to serve the society, CSR committee Disha (A Ray of Hope), of Jaipuria Institute of Management, Noida had organised a blood donation camp in the college on 11th September, 2018 .

The camp was organised by, Government District Combined Hospital, Gautam Budh Nagar, sector- 30, Noida, under the U.P Govt programme JANANI SURAKSHA YOJANA (JSY). The Govt. district

combined hospital collects blood on monthly basis and collect blood from colleges, organisations, private, semi-private, PSUs, societies etc. all through CSR Committee. They also have collected blood from NIIT, HCL, RWA, BHEL, NTPC, SAMSUNG etc.

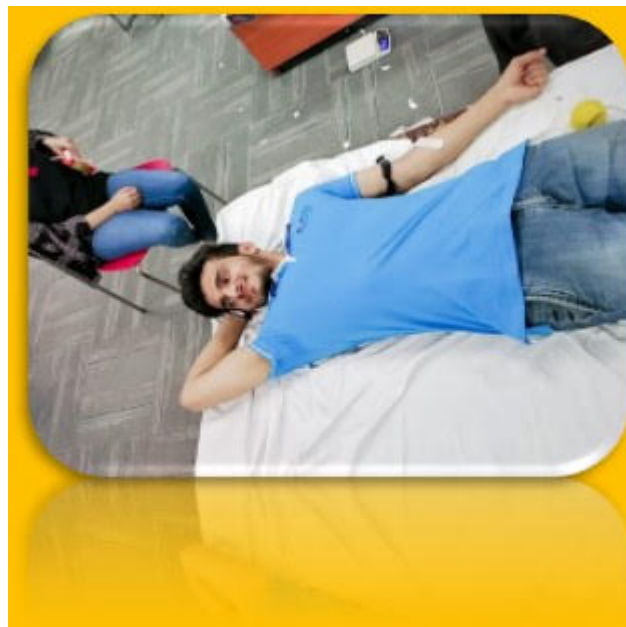

This was the 4th visit of the camp in our college. A team of 8 student volunteers, Vice-President C.K. Mishra and Secretary Vishakha Metrey from CSR Committee were present to motivate students to contribute to the noble cause.

Many posters and banners were displayed inviting people to become heroes by sparing five minutes for the lifesaving gesture.

The activity of blood donation was started by the students of the college and thereafter the CSR Committee members. The process started from registration of the students, medical check-up, blood test, donation of blood, refreshment and ended with the certificate.

There was an overwhelming response from students and a total of 67 units of blood was collected in the camp. A Certificate of appreciation, donation card, and refreshment was given to each donor as a token of gratitude.

Thanks and regards

MRC Noida
