Be earth smart. Please consider the environment before printing this e-mail.

We would be happy to announce this programme to our students.

But after going through the schedule, we have figured that the program being offered by Skyline is quite expensive for our students. As mentioned, the program cost is 5500 AED for 5 nights which is exclusive of airfare and visa charges.

Last time, when our students participated in the Student Immersion Program organised by IMT Dubai, the program cost was Rs. 70,000 (approx.) for 8 nights and 9 days inclusive of accommodation, food (breakfast, lunch and dinner), local sightseeing (Dubai and Abu Dhabi), training, program certification, airfare and visa charges.

Would there be a possibility of reducing the programme cost. I think there would be enough takers if we can reduce the cost and make it within our students budget.

We will highly appreciate if you can consider and see if there is any way we can reduce the programme cost.

We look forward to your reply.

Thanks & Regards

Himanshi

New Zealand visitor visa approval

Application number **17647071** for a New Zealand Visitor Visa - General has been approved. If this application has been made through an immigration adviser, lawyer or other representative who is exempt from licensing, this entire document must be provided to the applicant.

Visitor Visa details

Applicant:

Poonam Sharma

Date of Birth:

10 March 1972

Principal applicant's details

Gender: Female

Nationality: IN

Passport number: Z3151550

Client number: 68534541

The start date of your visa is: 12 October 2018

You must arrive in New Zealand before:

The number of times you may enter New Zealand using this visa is: Multiple

The last date you may travel to New Zealand is: 12 February 2019

Your visa expires and you must leave New Zealand on or before:

The conditions of your visa: This visa expires 3 month(s) after first arrival. Stay subject to grant of entry permission. You must leave before visa expiry or face deportation. The holder shall not undertake employment in NZ. The holder shall not study for more than 3 months in every 12 month period in NZ.

PRINT THIS DOCUMENT AND CARRY IT WITH YOUR PASSPORT AT ALL TIMES

The details above reflect the electronic record of your visa held by Immigration New Zealand (INZ). You do not require a visa label in your passport. Do not attempt to alter this letter. It is an offence under the Immigration Act 2009 to use a document that you know has been altered.

Please check that the above visa details match your passport before you travel and contact INZ immediately if there are any errors. If you are offshore, you may only enter New Zealand after the start date of your visa.

You may be asked to show this letter when you check in for your flight to New Zealand and/or when you arrive at the New Zealand border. If you cannot show this letter when asked, the airline may not let you board your flight or you may be delayed when entering New Zealand.

You can only hold one visa at a time. Any previous visa you held is now void and has been replaced by the visa referred to in this letter.

How can you prove your visa details without a visa label in your passport?

To Whom It May Concern

Invitation Letter: Dr Poonam Sharma

Name: Dr Poonam Sharma
Passport No: Z3151550
Date of Expiry: 29/01/2025

Dr Sharma is the Dean of International Relations at the Jaipuria Institute of Management, one of our partner institutions in India.

This letter supports Dr Sharma's application for a Visitor Visa as a Visiting Academic (V3.130) as the purpose of her travel is to undertake pedagogical and educational activities at WelTec and Whitireia for a period of not more than three months.

Dr Sharma intends to travel to New Zealand from 11 October to 09 December 2018. During this period she will be teaching our students in the School of Business as part of the Memorandum of Understanding signed between Jaipuria and WelTec/Whitireia which enables staff collaboration, student exchanges and facilitation of academic research.

WelTec and Whitireia NZ will be responsible for Dr Sharma's accommodation costs while she is in the Visiting Academic position. All other costs including travel and insurance costs are Dr Sharma's responsibility.

Should you require further information, please do not hesitate to contact me.

Yours faithfully,

Moira Hagenson

Exploration of International Avenues

By

Dr. Poonam Sharma

With persistent efforts to explore potential international avenues and collaborative tie-ups Dr. Poonam Sharma, with a view to expand international outreach accepted the invitation from Ms. Moira Hagenson General Manager – International, WelTec, and Whitireia, New Zealand.

Purpose:

- 1) **Co-Teaching** - Marketing strategy, Marketing of services & Consumer Behavior and Marketing Communication
- 2) **Exploring Research Projects**
- 3) **Mutual Student Exchange Program and Internship Opportunities**

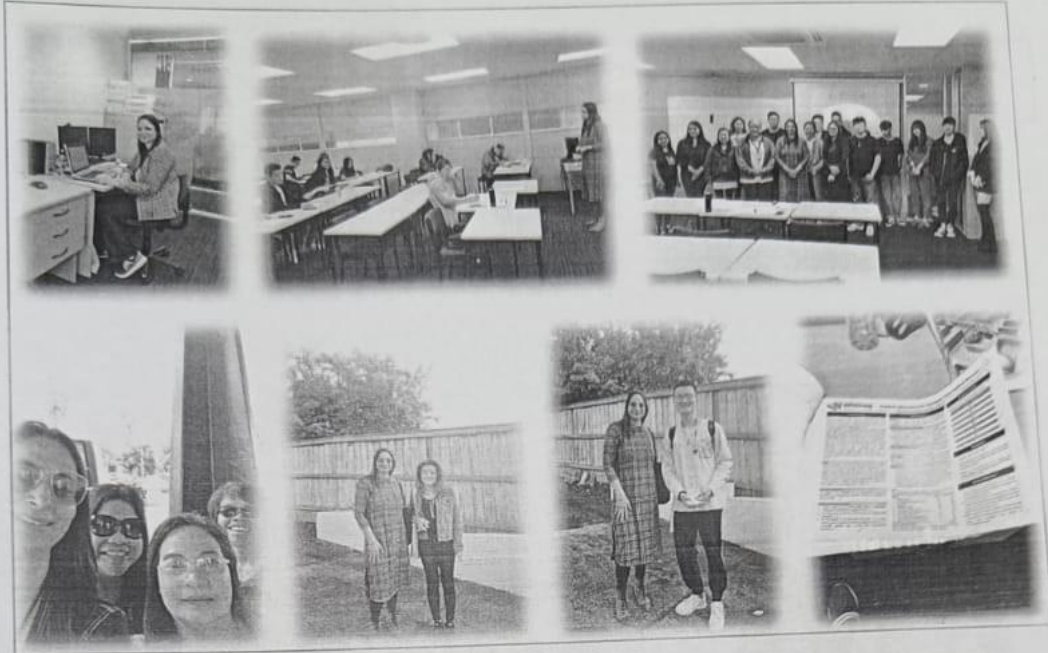

She is also undertaking pedagogical and educational activities at WelTec and Whitireia, New Zealand for a period two months. Her visit has already started showing results from the day-1.

Prof. Yalim and Prof. Tene

Prof. Poonam with Prof. Daymon Heyzer, Marketing

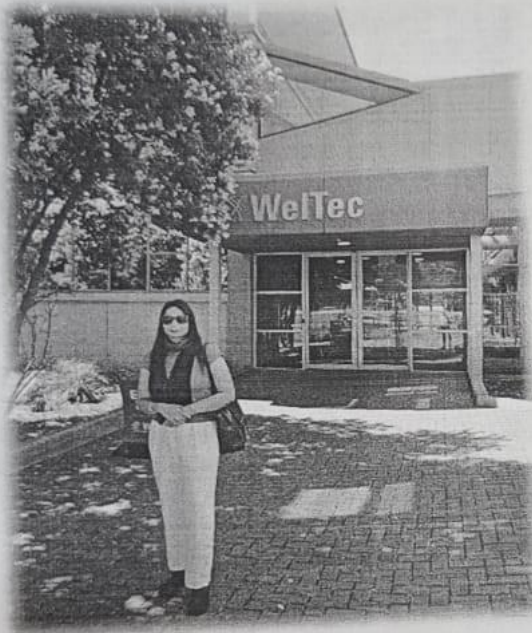

Prof. Poonam will be teaching his class in the following
course: **Services Marketing, Consumer Behavior and
Marketing Communication**

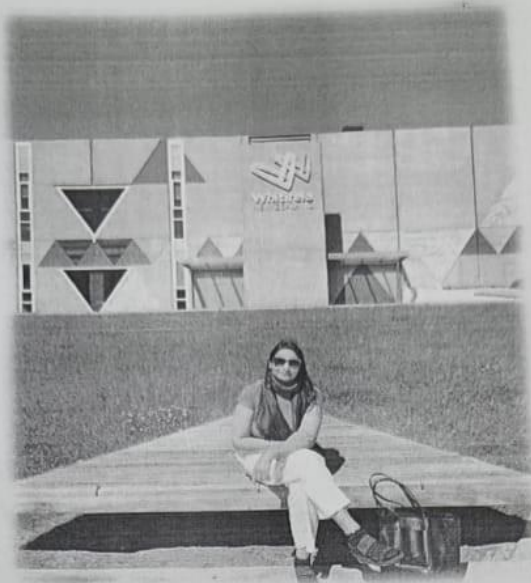

*Prof. Poonam Sharma's visit to Wellington campuses of
WelTec and Whitireia*

Dr. Poonam Sharma flew to Wellington to visit all the three Wellington campuses of WelTec and Whitireia from 12th – 16th November, 2018. She was given campus tour to the Porirua, Petone and the Wellington city campuses. It was yet another remarkable week for her.

WelTech It is a tertiary institution training around 8000 students offering a wide range of industry-led qualifications through to degree and postgraduate programmes. It is one of New Zealand's oldest education institutions and the second-oldest in the capital city. Their home campus is in **Petone**, one of the most beautiful campuses of WelTech.

Government owned and funded, **Whitireia** is known for its high student success rates and culturally diverse student body. Established in 1986, on the shores of the **Porirua harbor**, **Whitireia** has grown to become the institution of choice for over 6,200 students, who study at one of their contemporary campuses in **Porirua, Wellington, Kāpiti and Auckland**.

What Prof. Poonam was most impressed was the way the Industry tightly integrates in the Programs that Whitireia runs for its students. The campuses are beautiful state-of-the art complexes where you see students studying, relaxing and engaging freely. Be it the Automobile section where you will see students working on real cars sponsored by the Industry. This hands-on experience makes them readily employable, thereby increasing the Success of the Institute along with them. The Media section is again futuristic where students can be seen working on latest tools for special effects and creative aspects of filmmaking and media management. The student absorption by the Industry again is very encouraging. Similarly, there are multiple offerings where Whitireia is preparing industry and future ready leaders.

Campus Glimpse

Ms. Moira Hagenson, General Manager, International, WelTech and Whitireia had invited Prof. Poonam for a dinner meeting. The meeting proceeded with a discussion about **summer programs, faculty exchanges and collaborations in detail**. Ms. Moira expressed her hope that the association with Jaipuria Institute of Management would be long lasting and fruitful for both the Institutions.

Ms. Moira and Prof. Poonam discussed about the possibility of **student exchange program and summer programme (both inbound and outbound)**. The short term programme for about **14 days** which will include classroom *sessions*, Industry visits, cultural visits, and sight-seeing. Optionally, another proposal discussed was **Credit Earning Programme Exchange** for a trimester wherein Jaipuria students can pick an elective or electives and complete the same in Whitireia campus. However, this arrangement might take some time on both sides as this needs approval from the concerned authorities on both ends.

Prof. Poonam then met Prof. Mick Jays, Head of School – Business, WelTech and Whitireia where they discussed about the viability of Faculty Exchange. Mick expressed his willingness and interest for sending

a faculty from Whitireia at Jaipuria Institute of Management for teaching, and joint research initiatives in the upcoming year. This relationship could be built further for inbound faculty exchange as it materializes.

She also met **Mr. Ashok Prabhu, Manager Research and Innovation**, for collaborative research opportunities. As they are very keen on it, they assured to take promising steps in this direction.

It was a week of productive meetings and networking with the HOD's and staff of WelTech and Whitireia at Wellington
