Action Taken Report (AY: 2022-2023)

PROGRAM MANAGEMENT CELL

Social/Rural Internship (Social Outreach Program)

As planned, a field immersion-based course titled 'Social/Rural Internship' was included in the curriculum for batch 2022-24 (AY 2022-23). As part of this course, students were sent to villages to familiarize themselves with the socio-economic environment of rural areas. The social/rural internship titled 'Social Outreach Program' (SOP) was executed on December 28-29, 2022, in identified villages of adjoining districts.

Field Immersion program

As planned, a field immersion program (linked with a few elective courses) was rolled out during the 4th term in AY 2022-23 for batch 2021-23 students. Based on the thrust areas of students, students are attached to participating organizations from the following sectors :

- Industry and Business (Small and Medium Enterprises & Start-ups)
- Plan for improving Academic Processes: In line with the plan, the following initiatives were taken during AY 2022-23 to improve the academic processes of the institute:
- A workshop was conducted by Dean (Academics) for faculty members for Outcome-based education (OBE).
- Dean (Academics) studied the reputed books on effective teaching and learning methods authored by Elizabeth F. Barkley, Patricia K. Cross, Trudy W. Banta, Bruce M. Mackh, and George W. Kuh. He then

conducted a session for faculty members to sensitize them about effective pedagogical tools (PT) and learning assessment tools(LAT).

- The faculty was motivated to introduce innovative methods of assessment/pedagogical interventions/student engagement in their course deliveries and document their experiences.
- Collecting students' feedback on courses is a regular practice at the institute. The institute has recently initiated the system of submission of the Action Taken Report by the concerned faculty member on the mid-term feedback. This captures the future actions faculty members plan to take to address the unfavorable feedback points.
- Faculty Development Program
- Faculty are encouraged to pursue the relevant course/FDPs for upskilling. During the year, a session on the Usage of ChatGPT was conducted by Prof Ankit Mehrotra for the faculty members.

RESEARCH AND PUBLICATION

To develop more institutional linkages

The Dean Research has been promoting research activities and research publications. Many faculty members actively involved in research and were publishing in Scopus, Web of science & UGC listed journals. There are 43 papers in total, 30 of which have been published and 13 have been accepted along with two book chapters.
